

Ferris State University's Tobacco Free Campus Initiative

ANTHONY PICARD

Why bother?

Ferris is one of the few colleges left in Michigan that does not have either a smoke-free or tobacco-free campus policy.

Who does?

- Baker College
- Calvin College
- Central Michigan University
- Hope College
- University of Michigan
- Michigan State University
- Northern Michigan University
- Western Michigan University
- Eastern Michigan University
- Saginaw Valley State University
- Wayne State University
- Many others

Tobacco Free Campus Initiative

Grant for \$20,000 received from the American Cancer Society

- Special thanks to Aman Chahal

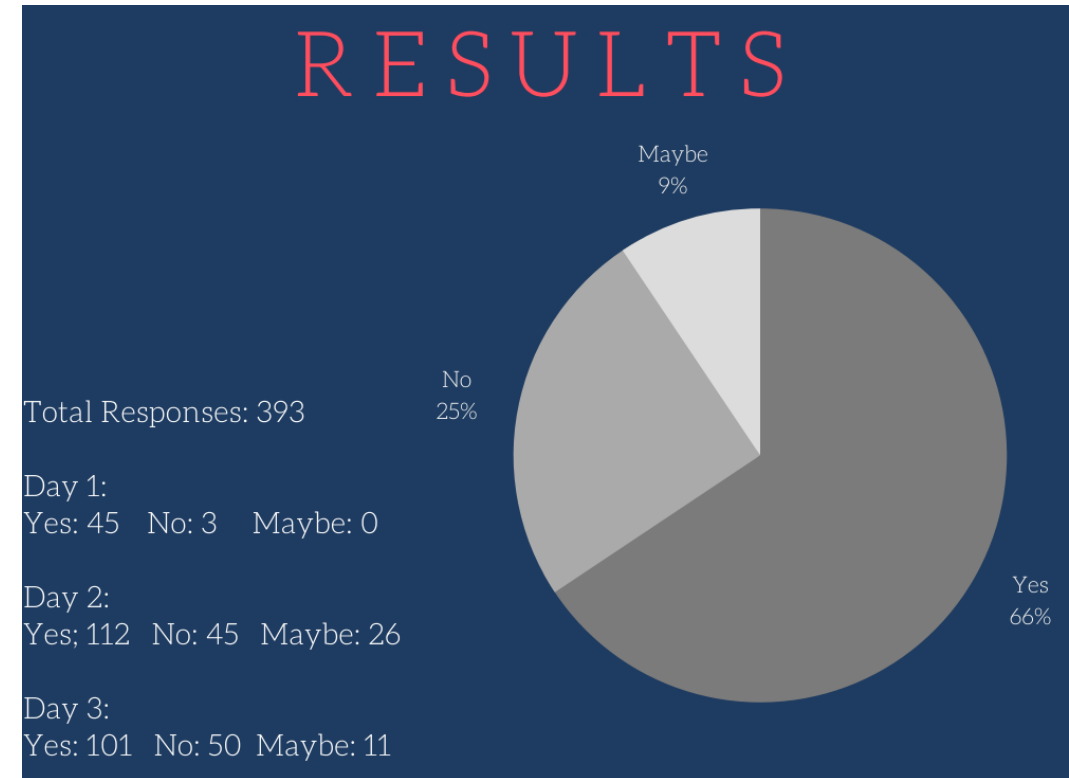

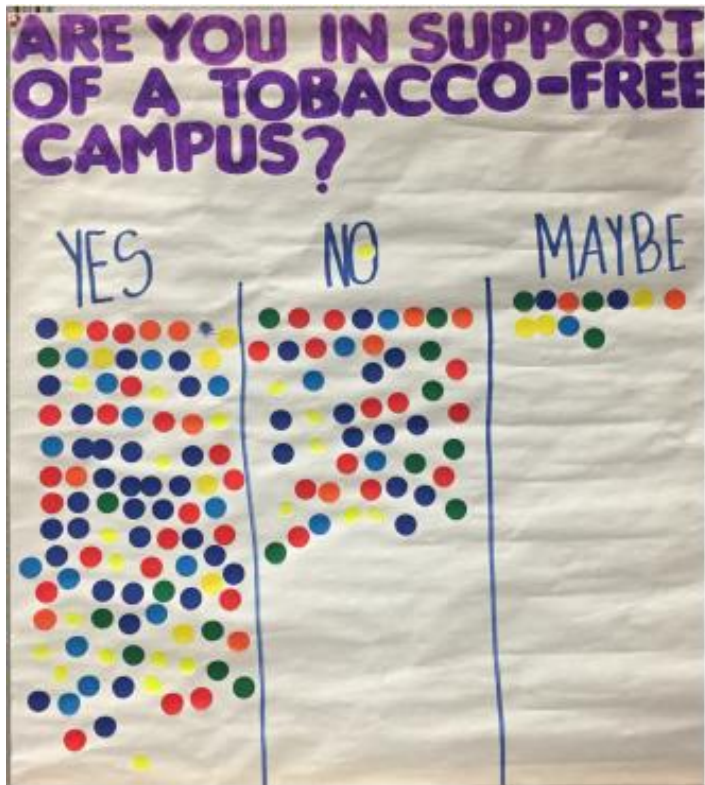

Faculty member: Dr. Fathima Wakeel

Student workers: Alyson Hill, Ali Quilitzsch

- Student Health 101 article
- Press Release regarding the Great American Smokeout

Previous work

Sticky Dot Survey, designed by Aman Chahal

Moving Forward: Great American Smokeout

What is it?

- 24 hour long challenge to encourage current smokers to quit, even if just for a day

When: November 16th

Main Location: University Center, Ferris State University

Cigarette Cleanup

On Halloween day, the Public Health Student Association (PHSA) will be hosting a campus-wide cigarette clean up.

- Open to all volunteers
- Collaboration with the faculty from College of Health Professions
- Other RSOs partnering with PHSA:
 - Colleges Against Cancer
 - Michigan College of Optometry's Public Health RSO
 - Active Minds
 - Others are invited

Cigarette litter will be compiled and put on display at our table during GASO

Survey

We are interested in surveying the students at Ferris pre and post-GASO activities.

Survey is planned to be delivered before the cigarette cleanup and after GASO

- Will assess students' attitudes, beliefs, knowledge, and history with regards to smoking behaviors and acceptance of a university-wide tobacco ban

Currently seeking IRB approval

Thank You!
